

**ZERO WASTE  
ECO FESTIVAL**

## Sustainable Design Competition

If you have a creative mind, are concerned about climate change, and are currently enrolled in a college/university, this competition is for you!

### **SUSTAINABLE DESIGN COMPETITION:**

---

- 1) **Engineering** - Create a project using technology to solve a critical environment issue associated to any climate change or environment related issue. The projects could work towards achieving SDG 6: Clean water and sanitation; SDG 7: Affordable and clean energy; or SDG 13: Climate action in general
- 2) **Architecture** – Showcase a design idea or model (2D/3D) using alternative / green building technologies, designs, and ideas that are sustainable and environmentally friendly
- 3) **Innovation** – An innovative pitch or idea that can help solve a critical climate related issue through a business or organization of individuals. This can be submitted in the form a concept note (no longer than 2 pages) or a presentation (no more than 6 slides)

Your entry should express your ideas about the solutions the world needs in relation to one (or more) of the following themes, which are the topics the Zero Waste Eco Festival revolves around.

### Themes

Water Crisis &  
Management

Responsible Green  
Tourism

Habitat Preservation &  
Wildlife Conservation

Renewable Energy

Competition entries will be judged according to their relevance to at least one of these four themes, how clear the proposed solution is, how creative the entry is, and how effectively it encourages positive thoughts and action.

**Winners will be announced on the Zero Waste Eco Festival and on our Facebook page on the 14<sup>th</sup> of May, 2022.**

**Winning entries and ideas will be shown to the public and governments by Save the Children in order to highlight children's views about the climate crisis and influence action by people and governments. This may happen through social media, news media, websites, online exhibitions, and meetings with representatives of governments and international organisations.**

**Save the Children**

## ZERO WASTE ECO FESTIVAL

### ENTRY CONDITIONS

---

- To enter this competition, you must be 18 years of age or above on 14<sup>th</sup> May 2022.
- Entrants agree to accept the rules and decisions of the competition and its organizers.
- By submitting their entry, entrants confirm they have obtained their parent's or guardian's consent to do so including their acceptance of the competition's rules and decisions.
- By entering the competition, entrants and their parents or guardians give permanent permission to Save the Children to display publicly their submitted project/idea, as well as the entrant's full name, age, gender, and country of origin anywhere, including on websites and on social media accounts. No royalties or other payments can be claimed for this.
- Entrants can work with one or two friends to produce a joint competition entry
- The entrant is responsible for the cost of producing and submitting their competition entry.
- Competition entrants will retain copyright of their projects/ ideas
- Competition entries should be original and not use someone else's copyrighted material. However, it is acceptable to include some words, concepts or images created by others (such as a national or UN flag, company logo, or a famous quotation) if these are artistically necessary for inspiration, for example, to explain a specific point, be humorous etc.
- Entrants agree to indemnify and hold the competition organizers harmless from any third-party claims arising from their submitted project/idea and its subsequent publication, including claims related to copyright infringement and defamation.
- Entrants can use any language in their art

### SUBMISSION RULES AND REQUIREMENT

---

- Your project needs to be submitted digitally (photo & write up) before the 14<sup>th</sup> of May, 2022 through email at [Pakistan.zerowaste@savethechildren.org](mailto:Pakistan.zerowaste@savethechildren.org) and you will be required to bring your project physically to be displayed at the Zero Waste Eco Festival held in Fatimah Jinnah Park (F-9 Park), Islamabad on the 14<sup>th</sup> of May, 2022 at 4:00pm.
- Competition entries must be submitted together with the individual's personal information and statement as follows:

#### **When submitting your entries, please provide the following details:**

1. Full name (If you prefer, you can choose not to give your family name)
2. Name of School/University:
